

timetable MathMods SoSe 2023 (status as of 23 March 2023)

Monday: no lectures!

Tuesday

*12:00 – 14:00 Scientific Computing (J. Behrens) (VL) in H2

*16:45-18:15: Iv2643 Probability Theory (M. Schulte): (VL/GÜ), TU Hamburg (!) in A 0.19

Please note: On Tuesdays: UHH → TUHH

Wednesday

* 10:00-12:00 65-434 Galerkin Methods (W. Wollner) (Ü) Geom 434

* 12:00-14:00 65-432 Numerical Approximation of PDEs 1st group (Y. Saleh) (Ü) Geom 434

* 14:00-16:00 65-433 Galerkin Methods (W. Wollner) (VL) Geom H3

* 16:00-18:00 65-441 Optimization (Ch. Brandt) (VL) (VL) Geom H1

Thursday

* 9:00-10:00 65-438 Scientific Computing, 1st group (Maša Avakumović (Ü) Geom 435

* 13:15-14:45: Iv2643 Probability Theory (M. Schulte): (VL) TU Hamburg (!) in M 1582

*18:00-20:00 65-901 DaF A1 VHS, Geom 142

Please note: On Thursdays: UHH → TUHH → UHH

Friday

* 8:00 – 10:00 65-431 Num. Approximation of PDE's (H. Ranocha) (VL) Geom H5

*14:00-16:00 65-442 Optimization (Ch. Brandt) (Ü) Geom 1240

65-532 Modelling camp, block course, Professor Gasser (first instructions see mail from 21 March)

Remarks:

A)All lectures, except Probability Theory, take place at the University of Hamburg, Geomatikum building, Bundesstraße 55, 20146 Hamburg, H stands for Hörsaal, lecture hall (all on the ground floor,) Geomatikum building –, Geom stands for the exercise rooms within the Geomatikum building, 4xx means on the 4th floor

How to get to the Geomatikum:

<https://www.math.uni-hamburg.de/en/service/lageplan.html>

B1) **Probability Theory**, compulsory for all students who will spend the second year in Nice The lecture and exercise class take place at **TUHH**, Am Schwarzenberg-Campus 1, 21073 Hamburg, S31 Harburg-Rathaus, bus 142, Kasernenstraße (TU Hamburg)

<https://www.tuhh.de/tuhh/tu-hamburg/campus/campusplan>

B2) **Optimization**, compulsory for all students who do not spend the second master year in Nice but at UAQ or UHH
